

# ASSEMBLY INSTRUCTIONS

For 100ml Personal Hand Sanitizer Bottles with Flip-Cap

(COV-HANDSAN-100ML)

## RECEIVING

Bottles arrive with sealed red cap. This needs to be removed complete. Remove both the screw cap and the red ring.

## INCORRECT ASSEMBLY

DO NOT leave the red ring on the bottle when assembling the flip-cap. Doing so will result in leaking.

## CORRECT ASSEMBLY

For proper assembly, remove the red cap and the red ring before screwing on the white flip-cap.
